* The specific topic will differ in each CE test.

Here's What Your Peers Are Saying!

"The CE tests are very beneficial to employees and adult foster providers and spouses that can't always attend trainings."

— Dianne Patten

Licensing worker, Olmsted County Community Services

"The topics address a variety of resident needs, from elderly to developmentally disabled, to the mentally impaired."

— Heather Knutsen

Licenser, Sherburne County Social Services

"The feedback that we get from AFH sponsors is wonderful. They really enjoy the information."

— Jill Spielvogel

Social service aide, Sheboygan County Health and Human Services

"AFCN is an excellent training resource. It's concise and focused newsletter format gives sufficient in-depth coverage for caregiver training without overwhelming with medical jargon."

— Connie McKenna

Founding Director, National Adult Family Care Organization
